

Ardmore First United Methodist Church
Children's Day Out
2017-2018

Dear Parents:

Children's Day Out is a school year ministry of Ardmore First United Methodist Church that provides a caring, safe, Christian play and learn time for preschool age children. We strive to offer the best environment possible to meet the needs of your child's physical, intellectual, emotional, social, and spiritual well-being.

We lovingly support the development of each child through play, music, crafts, and other developmentally appropriate activities. Children are introduced to the alphabet, numbers, colors, and shapes and enjoy a variety of structured and free play in their classrooms, Fellowship Hall and outdoor playgrounds.

The CDO program is under the direction of the Senior Pastor, David Daniel; the Director of Children's Ministry, Amy Hopper; and the Nursery Ministry Director, Tracy Rudisill. We are here to listen; please contact us any time. We are more than happy to discuss questions or concerns you may have regarding your child.

Please take time to read this handbook. It provides policies and procedures for our program that you need to know. We want your child to have a positive experience and to feel God's love. If you have any questions, please feel free to call the CDO office at 223-5390 ext. 318, or email tracy@fumcardmore.com.

Classes

Classes are divided by age and developmental milestones. If a class does not meet the minimum required enrollment number, all enrollment fees will be refunded.

Arrival

Upon arrival, children should be taken directly to his or her classroom. Please sign in your child on the sheet provided outside the classroom and include all appropriate information, including a phone number in case of emergency, and any alternate pickup person. Classroom doors open promptly at 9:00 am. Parents should wait for teachers to open the classroom doors before dropping off children; teachers use the time prior to class to prepare for your child's day with us. Your child will be received at the door by the teacher. *For the safety of our children, we ask that parents please not enter the classrooms.*

Dismissal

Your child must be picked up **promptly by 2:50 pm**. CDO will release children only to those who are authorized to pick them up. Written authorization must be given to the CDO office before someone other than the child's parent or guardian can pick up the child. The person picking up the child must be prepared to present photo identification if asked.

Late Pick-up Policy

Your child must be picked up **promptly by 2:50 pm**. Please call 223-5390 ext. 318 if you will be later than 2:50 pm. A late pick-up fee of \$15, per late pick-up event, will be charged. Parents who are consistently late will cause the child to be removed from the CDO Program.

Weather

In case of inclement weather we will follow the Plainview School District closures. Please tune to local TV and radio stations for information regarding school closings.

Withdrawals

CDO enrollment is for the entire school year. If you must withdraw your child for any reason, please give us a two week notice. The current month's tuition and all fees must be paid.

Supplies

Parents should send diapers, bottles and formula (if needed), a spill-proof cup, lunch, (see food section below), a seasonal change of clothes, and naptime lovies, blankets and/or pacifiers. Everything brought with your child must be labeled with their name. This includes diaper bags, diapers, baby bottles, water bottles, sippy cups, etc.

Food

Snacks are provided each day. A hot lunch program is offered through the Preschool for an additional fee. Monthly menus will be available. Checks for lunches should be made out to FUMC Preschool with "lunch" in the memo. You also may choose to furnish your child's lunch. If food needs to be kept warm or cold, please put them in appropriate containers.

Clothing

Please send your children in clothing suitable for physical indoor and/or outdoor play and art projects. Shoes should be comfortable and fit well, closed-toe shoes are preferred. We will have outdoor playtime when weather permits, please send a coat or jacket with your child as necessary.

Naptime

All children will have naptime or “quiet time” every day. Rest mats are provided. It is often helpful to explain to your child that he/she is expected to be quiet and still during this time. Children are welcome to bring a special blanket or “lovie” to help them feel comfortable.

Health

If your child develops a contagious illness at home, please notify the CDO Director. Children who are ill must be kept at home. If they have a fever, diarrhea, vomiting, pinkeye, or obvious cold or flu symptoms (excessive cough, yellow or green nasal discharge, etc.) please keep them home until symptom free for 24 hours (without the aid of medication). Please be considerate of the other children and families in CDO when deciding if your child is well enough to attend class. Parents will be notified if a child becomes ill at CDO. Please be aware that teachers are not allowed to give medication to children.

Biting, scratching and physical aggression policy

CDO is understanding of the developmental stages of our young students, and that biting and other physical responses in very young children can occasionally occur in a group setting. However CDO encourages cooperative interaction, respect for others and non-aggressive problem solving between children, and excessive biting or other physical aggression (scratching, hitting, kicking, pushing, etc.) cannot be tolerated. Every attempt will be made to prevent biting or physical aggression from taking place by anticipating trouble areas, being aware of the child’s surroundings, as well as their need for special attention. In all cases of biting or other physical aggression, the “Behavior and Discipline Procedure” will be followed.

If biting or scratching occurs, the teacher will promptly comfort the victim and clean the wound (if applicable), taking care of the child’s physical and emotional needs. The teacher will clearly state to the aggressor that biting/scratching is unacceptable. Both sets of parents will be notified and an incident report will be filed in the office. The “Discipline Procedure” will be enforced if the behavior continues. If a child bites or scratches three or more times in one day, that child will be sent home for the remainder of the day.

Persistent biting and other physical aggression may result in the child’s removal from CDO.

Behavior and Discipline

As a Christian CDO program, it is our desire to create a classroom where Christian values are taught, and good behavior is recognized and encouraged. On occasion, a child may become upset or misbehave.

For upset children, the teacher will try to comfort the child and provide loving support and reassurance:

- 1) The teachers will try to calm the child by talking softly and/or holding closely.
- 2) The teachers will try to distract and redirect the child with toys, snacks or other activities.
- 3) Some children need their own space to collect themselves and may respond better to the “calm-down chair”. The “calm-down chair” is placed by the teacher but away from the other children. Our goal is to give the child the needed time and space to calm themselves down on their own terms, when our attempts at interaction and involvement with the child is not helping them calm down.

If repeated attempts of the above efforts do not work, and the child continues to be continuously upset and crying for more than 45 minutes, the parent will be called to pick up the child.

For poor behavior, the teacher will lovingly guide each child using positive guidance and problem solving, and preventative teaching. Discipline will be individualized and consistent for each child and will be appropriate to the child’s level of understanding:

- 1) The child will be reminded of behavioral expectations (i.e. no hitting, pushing, taking toys etc.)
- 2) The child will be given warnings for inappropriate behavior and redirected using positive statements.
- 3) The child will be sat in a supervised and accompanied time-out from the group (when appropriate to the child’s age and development), limited to no more than one minute per year of age.
- 4) If the child continues to be disruptive, the parent will be called. If a child’s behavior is consistently inappropriate and repeated effort has been made to alleviate the causes of misbehavior (anticipation of trouble area, parent-teacher conferences, etc.), the child will be removed from CDO.

Removal from CDO

If a child is having extreme behavioral issues or is having continuous trouble adapting socially to CDO, the Director may call a parent-teacher-director conference to address the behaviors and possible ways to improve the situation. If the problem persists, it may be necessary to remove the child from the CDO program.

Security

For the safety and security of CDO, please enter the building through the west-side door (Preschool door). If entering outside of normal drop-off or pick-up hours, please check in with the Preschool office secretary upon entrance.
