Parents,

We understand some of you did not have the opportunity to give toward the wedding gift for Mr. Chris and Amy. We are still collecting and any extra will be given in a gift certificate to Lowes! You can bring your donation by the office or give to the classroom teacher.

**Enrollment Update:**  
Enrollment for the 2010-2011 school year has been very encouraging! We still have openings in our 2's, 4's and Kindergarten classrooms. Help us spread the word... if you know of anyone looking for a preschool home for next year!

The Toy Room is in need of toys...

If you have toys your children are no longer using and want a place to bring them just drop them off in Ms. Barbara's Office. Play sets such as Fisher Price and Playschool, Lego's, Ponies and dogs are always popular!

### Chapel

Ms. Barbara with the help of our leaders demonstrated the friendship between Jonathon and David! How Jonathon **Honored** David by giving him his robe, shield, belt, bow and sword! We saw that Jonathon loved David and knew that he would one day be king!

Our memory verse is "Love one another deeply. Honor others more than yourselves."
